## AVIEMORE TRIATHLON 6/8/17 - SHORT FAST DURTY - DRAFT RESULTS

NOTE: There was a synchronisation error relating to the start time of the race (in brief: we told the finish line timing computer the wrong start time). The upshot of this was that the printed results receipt you received at the finish was incorrect. Everyone needed to have 2:15mins added to their swim time, and thus their overall time. The result below have been corrected to reflect that. Positions, and all other details are, and always were correct.
